

**PCSO Darryn  
Rural Officer**

PCSO Darryn looking after the rural community, people and animals

Best place in the world to work and live

Overslept and late for work

PCSO Darryn is always happy  
to see the farmers

Loves talking to the local businesses

Best part of PCSO Darryn's day,  
meeting the Children

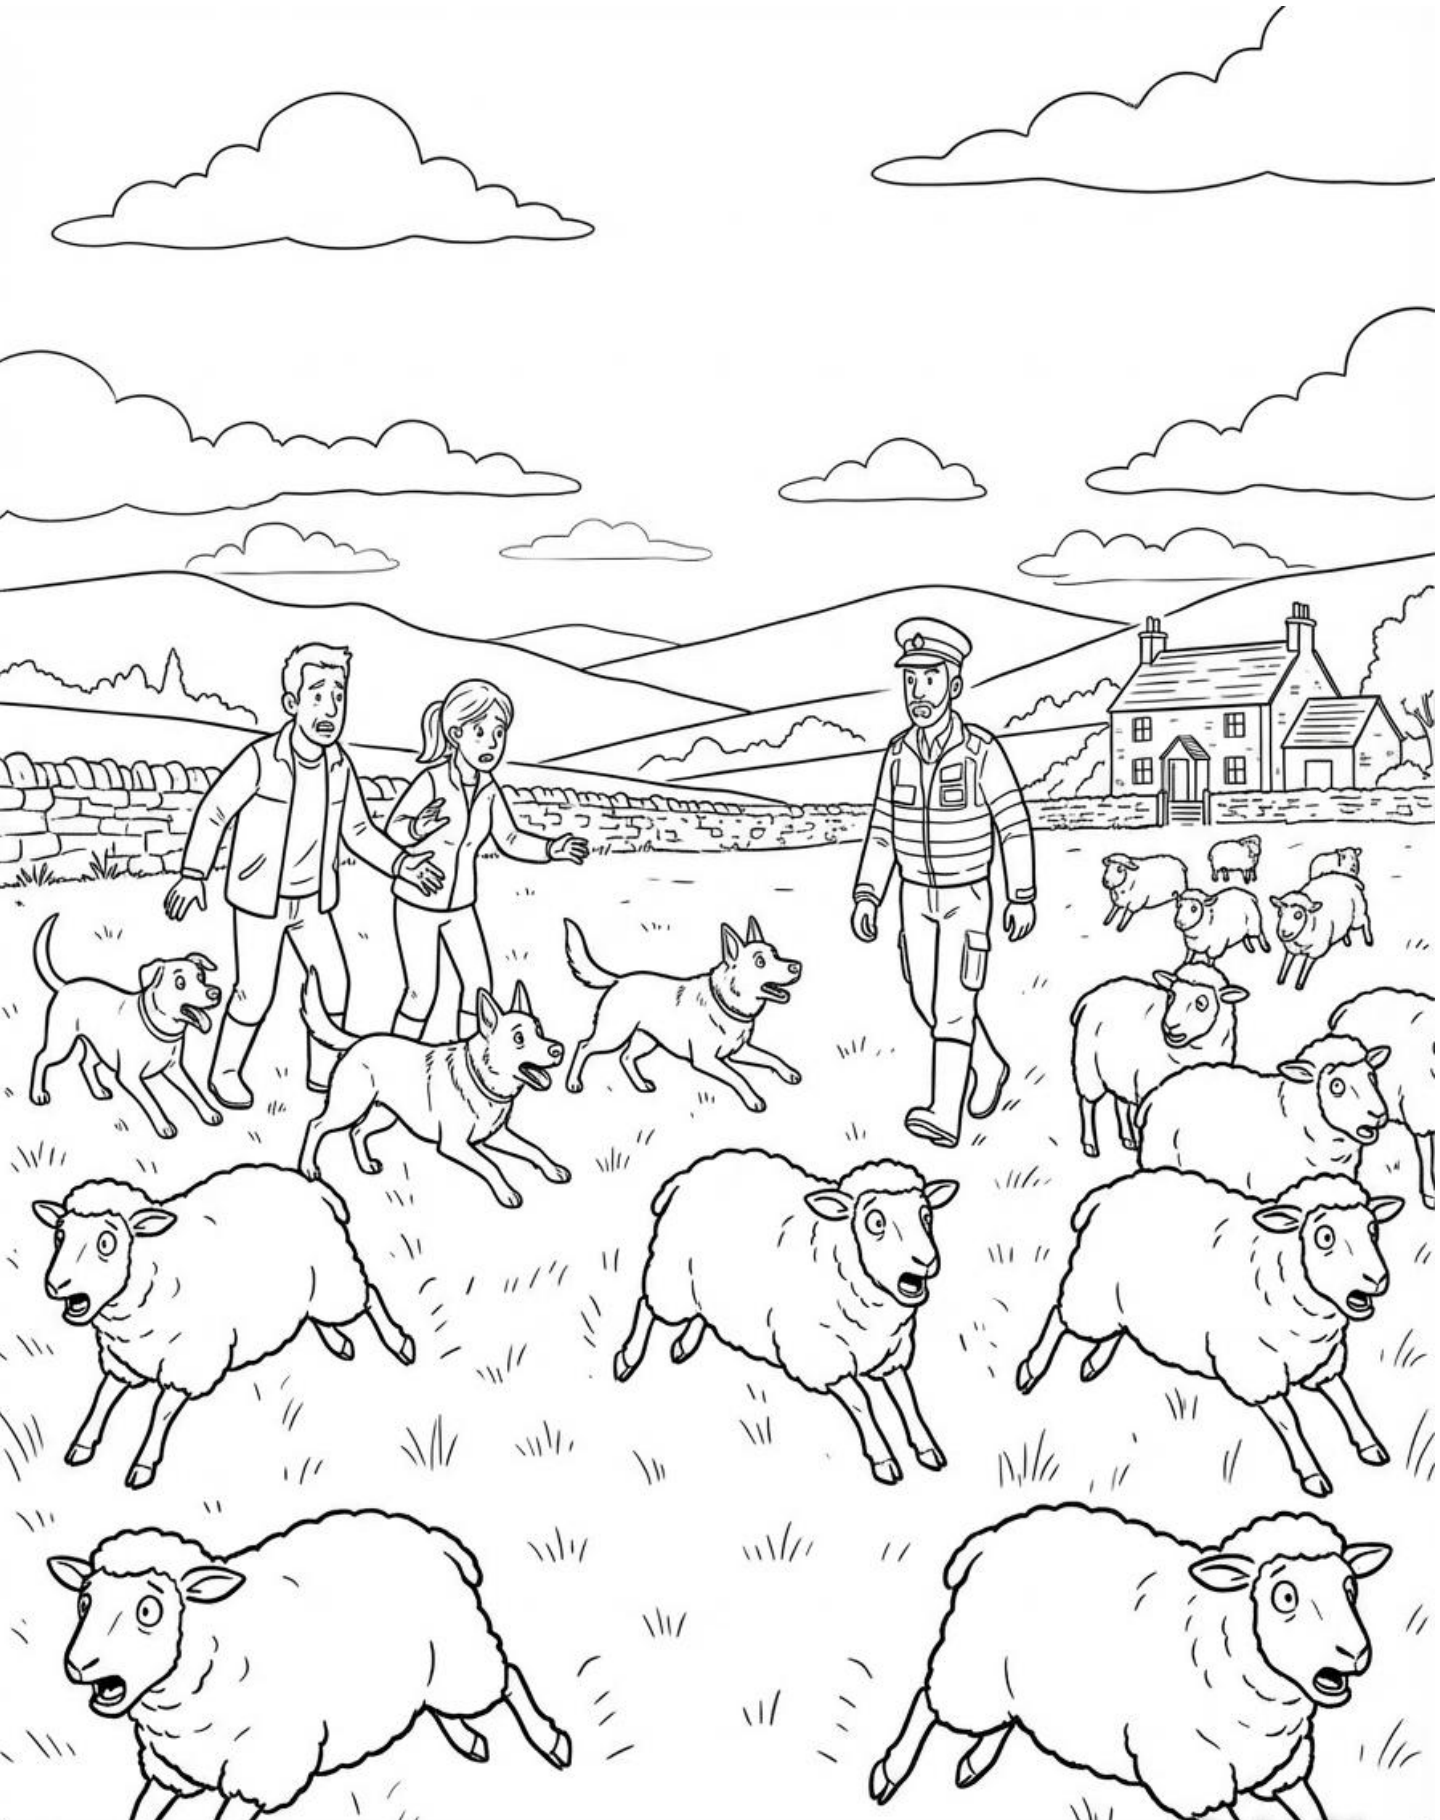

Making sure fires don't put people and the countryside in danger

Investigating who broke the farm gate

Making sure people know the right place to walk in the countryside

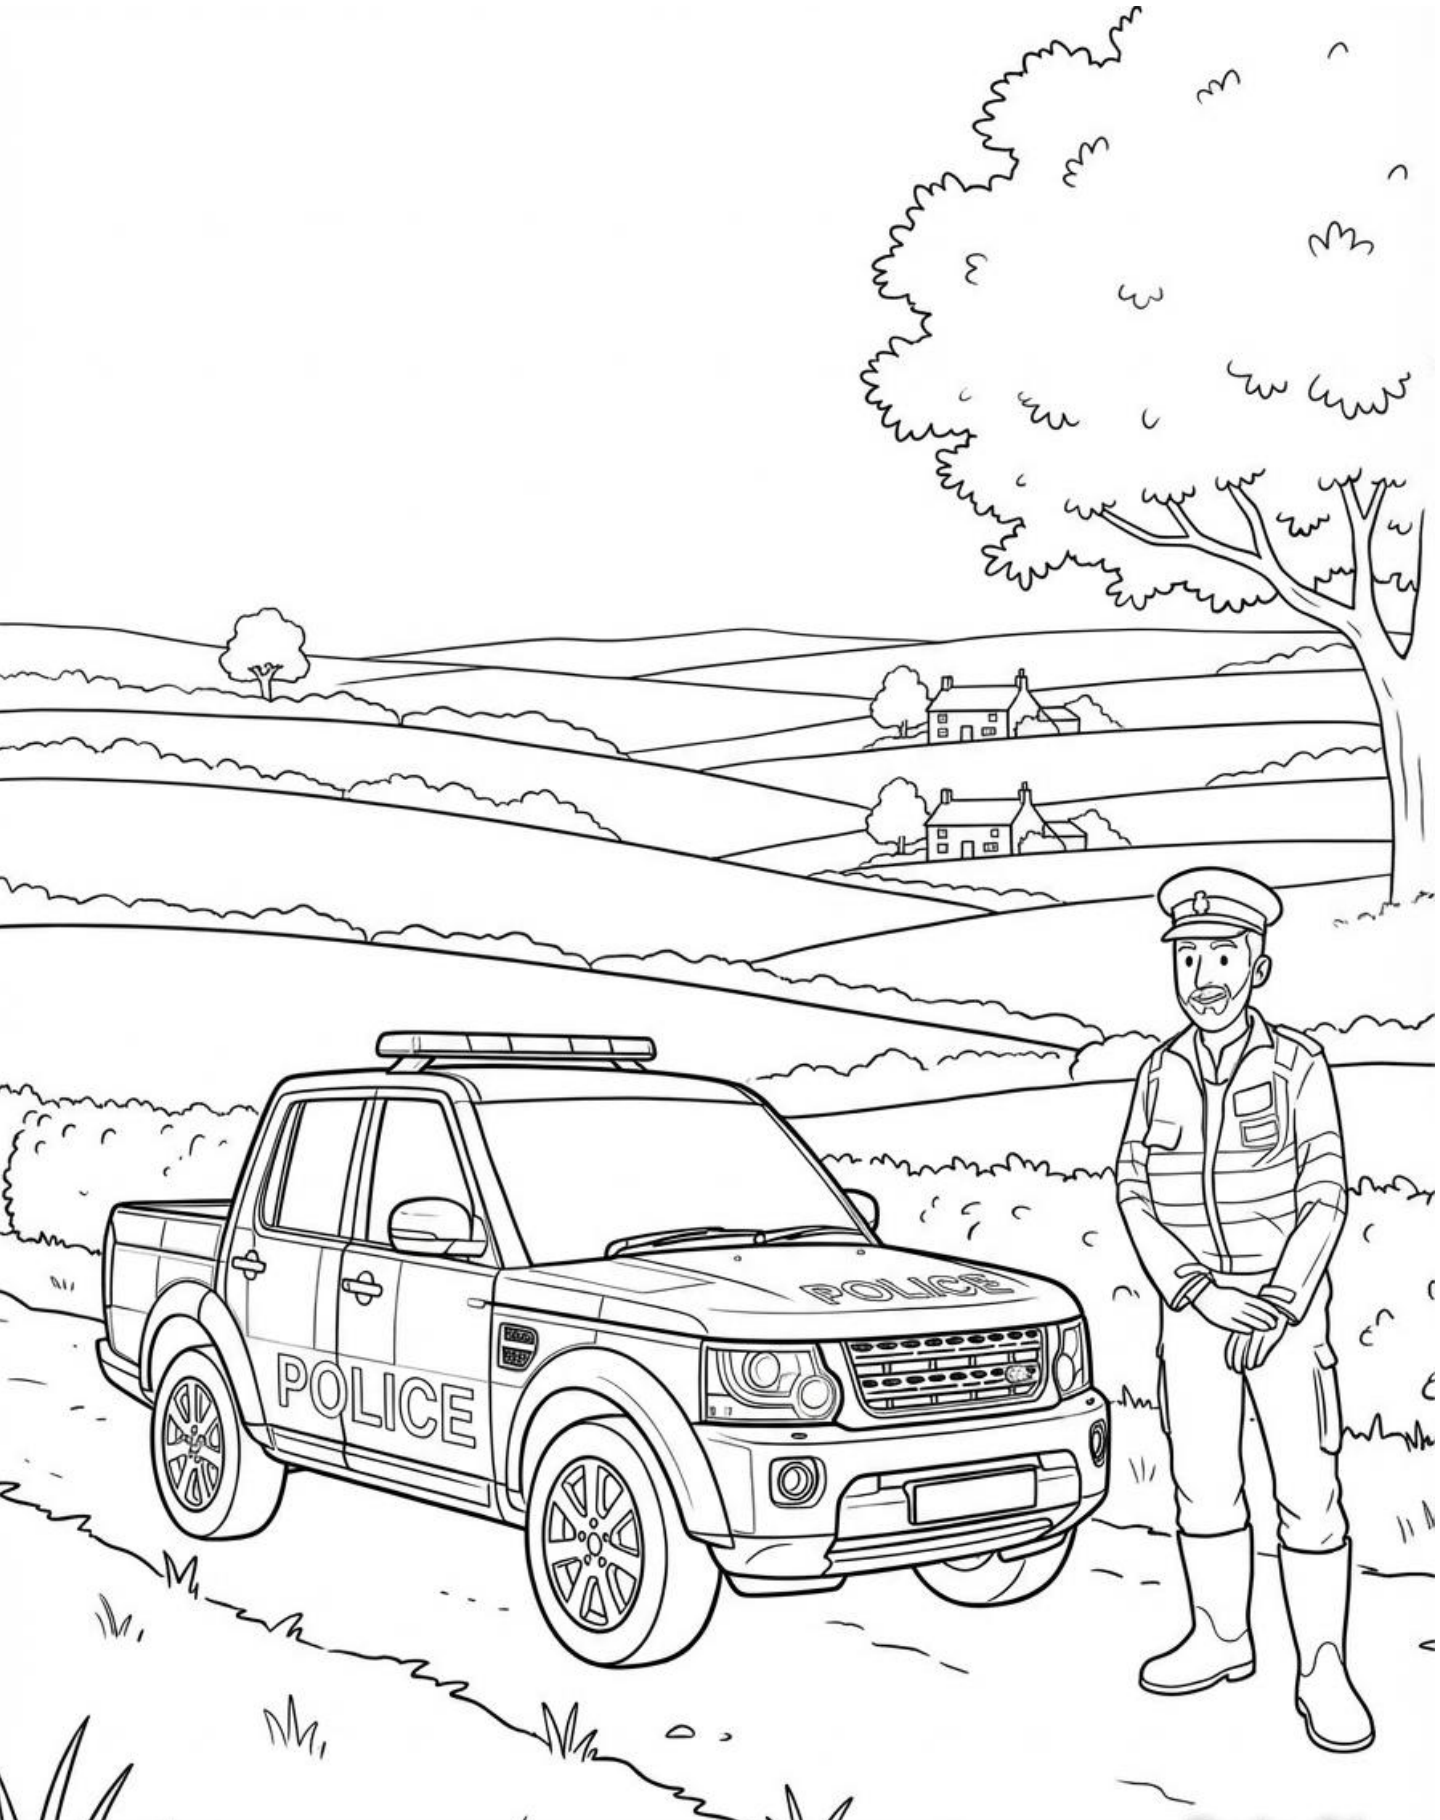

PCSO Darryn looks after the livestock from dogs scaring them

Making sure everyone feels safe

Trying to keep our countryside clean

Everyone makes mistakes, saying  
sorry helps to fix things

End of a busy day, PCSO Darryn  
has smelly feet
